Dear Industry Peers,

The Providence City Center of IIDA New England along with AIA Rhode Island are pleased to announce that we are in the process of planning our newest event, **Business and Brews!** This membership appreciation event will allow attendees to upgrade their professional image from selfie to savvy! Stacey Doyle, of Stacey Doyle Photography, a professional headshot photographer will be onsite during this happy hour, and each guest will receive digital copies to keep their website and social media profiles up to date. Our past events have been a great success due in large part to your generous sponsorship.

This event will provide a full night of 'business value' including, FREE professional headshots (tickets are free for IIDA and AIA members), a "90 min MBA" class that is registered for IDCEC and AIA credits, and a wonderful opportunity to relax and network with industry partners. We hope you will join us on **Thursday, May 31, 2018 at the Café at Easy Entertaining** 166 Valley St, Providence, RI, for a night of networking, delicious bites, tasty brews, and a chance to turn your headshot into something representing the professional you are!
